NUTTY FOR NICE NIPPLES!

Dear *Voluptuous*,

I know this is kind of late, but I just got a copy of your July '07 issue and want to give you some feedback. I figure it's better late than never.

I think the best picture in the whole issue is the one of Olarita's bumpy areolae. God, I love that! I wish more models had sensitive nips like those.

I really like Jelena, too. I was afraid she wasn't

Big tits are great, but a girl like Olarita with bumpy, sensitive areolae is the ultimate for many V-Men.

going to be that popular because she's got "fat girl tits," the kind that hang low and have huge nipples. But those are my favorite kind and I'm glad you all agree. I'm also glad you included some shots that didn't have soap suds covering her tits. Some guys may like that but I like to see what they really look like.—name withheld

MORE LUST FOR LONDON

Dear *Voluptuous*,

September '07 was one of your best issues yet. The girls are all amazing and it was great to see the return of Brianna Costello, Cherry Brady and covergirl Samantha. She looks fantastic.

But the best part of that issue was the debut of London Andrews! She's drop dead gorgeous and has me rock solid. Please feature more of this beauty soon.—M.K., via email

TOE-CURLING TITS?

Dear *Voluptuous*,

I buy both *SCORE* and *Voluptuous* every month, so I consider you to be friends. I'm a senior citizen and as I get older I need more and more help from big-boobed models to get it up and off. I know I can always rely on your girls.

Simone Staxxx in your October '07 issue is so thrilling that my toes actually curl as I jack off to her. To see both Simone and Panther in the same issue was an overwhelming pleasure. One of my favorite poses is when a super-stacked model lets her tits hang out over the top of her dress, negligee or blouse. Simone and Panther treated me to several shots of that kind. Obviously, I like to buy your magazine for the boobs, but I also really love women with hairy pussies. I'd like to compliment Sunshine and Katherine James, who both look very delicious down there. I guess my love for hairy cunts began when I first performed cunnilingus. The lady was very hairy and I enjoyed the way my tongue felt as her hair

London Andrews is sure to be in the running for Newcomer of the Year.

tickled me. I find myself fantasizing about how Sunshine's and Katherine's pubes would excite me if I had the privilege of going down on them.

Finally, I wonder how many readers have had what I call the "sleeper model" experience?" That's when a girl appears in two or three issues before

Simone Staxxx gives reader C.J. of Philadelphia, Pennsylvania a toe-curling experience when he jacks off to her.

Skarlett's September '07 V-Mag debut had B.M. of Georgia cumming hard and often

the reader really appreciates how good she is. That has happened to me with Trish Bailey. I have seen her before but never realized how great she is until I saw her wonderful layout with two guys in the October issue. I owe Trish an apology for not getting off over her previously, but I am making up for it now.—C.J., Philadelphia, Pennsylvania

SEPTEMBER WAS SIZZLING

Dear *Voluptuous*,

I'd like to add my two cent's worth concerning the September '07 issue, some of the letters in it and my tastes in general.

First, about the pictorials. I think I was primed for bear after seeing April McKenzie in a T-shirt in the Pounding the Pledges preview. I saw her in the September *SCORE* and can hardly believe it's the same person. I much prefer the average girl-next-door look (as I do with most models in general). I just wish Tera Cox's head wasn't blocking the view of

April's cantilevered right boob!

I came almost immediately when I got to the last shot of Skarlett. I've always had a thing for huge, natural tits with big areolae, and the sight of her boobs hanging down below her elbows was a major trigger.

The same thing happened, and for the same reasons, when I got to Sunny Dee's layout. She's like a fertility goddess. The shot of her holding up a sign was almost as good as April's. From now on, every G-cupper should be shown wearing a thin and skimpy shirt with no bra.

I'm not sure why, but I've never liked Samantha that much, but her shot on page 39 is very sexy to me. I like that pose, for one thing, with her arms over her head and her tits hanging freely. The same thing goes for Marketa on page 55. Of course, having big areolae and nipples helps, too.

Cherry Brady is another V-Girl who rarely got me hard, but her shot on page 36 definitely did. Maybe I'm just a sucker for full-page shots, but that

one really showed how big and pendulous her boobs are.

Those are my favorite models and photos in that issue.

Now, about your readers' letters. I agree that Bozena is one of my all-time favorite models as well, mainly because she has such big nipples. I don't particularly like baby oil in videos or photos. I agree that Lenka is hot and I never thought she had enough pictures that did her justice. I love her huge areolae.

The reason I prefer V-Girls to SCORE girls is that I like the way huge, all-natural boobs look (i.e., hang down, etc.) versus the firmer, rounded look that implants provide. I agree that Anna Song and Sapphire are both suitable for *Voluptuous*. In my opinion, *Voluptuous* should be dedicated to women who have huge, all-natural tits. Period.

Sapphire is one of my favorite models. I was very pleased that her tits got even bigger when she gained weight. I hope a lot of other V-Models grow the same way. I look forward to every issue of *XL Girls* in anticipation of seeing certain bigger girls.

I don't care much one way or the other about your hardcore section. I generally just skim it and only occasionally get any charge out of it. When

Nurse Cherry Brady made *Voluptuous* lovers everywhere run a high fever.

They're plush, but you're in control!

You call the shots in the new hardcore DVD, *Plush Control*.

The specially-designed interactive menus allow you to choose which girl to watch and jump quickly to the action you want to see. Tit-fucking, cocksucking and fucking in every position, it's all right at your fingertips. Loaded with hot, new BBW talent, your wish is their command in *Plush Control*.

I do, though, it usually involves a huge, veiny cock and/or big balls. Either a woman is sucking them in a certain way or manipulating them with her hands or enjoying them in some other way.

I think I like projecting my lust for huge tits onto the model's lust for huge cocks, that's why I like them to be kind of huge and gross. What I don't like or understand is why they're shaved. The presence of a lot of hair is more natural and raunchy, I think.—B.M., Georgia

MORE SKIN, LESS INK

Dear *Voluptuous*,

Congratulations on putting out the best big-tit magazine on the market. It seems like you're getting better while your competition keeps getting worse.

I do have a question regarding your models and many others I have seen in other magazines. What's up with all those fucking tattoos? I realize it's a trendy thing to do throughout all of society right now, and maybe a small, tastefully done tattoo can be attractive, but so many models have big, hideous-looking art on their bodies and it's not a turn-on at all for me. I couldn't fuck a chick covered with tattoos like that.

The same holds true for a lot of the male performers you have in your hardcore sections, but I don't care as much. I'm not looking at them, anyway. I still think it looks ridiculous to be covered with tattoos, but the guys are ugly anyway, so who cares?

So I'd like to request and suggest that you find models without all the ink, or maybe you can wipe out the tattoos with your computer programs or what a lot of people still refer to as air-

brushing.—T.H., Palm Bay, Florida

Dear T.H., Thanks for your comments. We have also noticed that adult models and the population in general have more tattoos than ever before. We feel that to have or not have tattoos is a personal choice, so we don't reject a model for that reason alone. At least we haven't yet. We also feel that having tattoos shows a free-spirited attitude that goes hand-in-hand with a girl's openness and willingness to show her naked body to the world. Tattoos certainly are not a requirement, but girls who have them tend to be at least a little bit "wilder" and more receptive to the idea of posing nude and that's always a good thing. As far as removing tattoos with electronic trickery, we try to keep photo manipulation to a bare minimum here. What you see is what you get. Also, a lot of our models do both photos and videos, and tattoos can't be removed from video. So if we wiped them away on a model's pictures and then readers saw the tattoos on the girl's videos, it would be pretty obvious that some alteration had been done to the photos. We welcome any and all attractive girls with big, natural boobs. Tattoos optional.

DESPISING THE DILDOS

Dear *Voluptuous*,

I enjoy *Voluptuous* and *XL Girls* magazines very much. You have the kind of girls I really like and I was happily surprised a few years back when I discovered the magazines at my local bookstore. Big boobs, butts, curves, pretty faces, your models look like women should as far as I'm concerned.

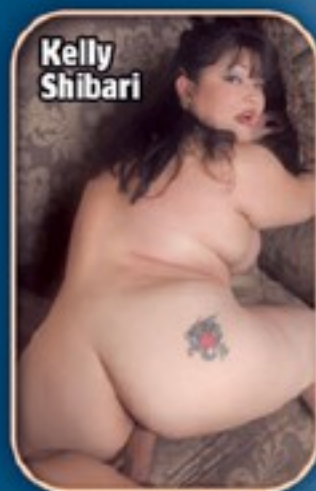

Congratulations. You have brought out some great new models this year. I know it must be challenging to consis-

tently find new girls and get them to pose nude for you and perform in your videos. One of the best I've seen lately is London Andrews. A lot of guys would call her fat, but I have another name for her. Fabulous! I hope you'll have her in *Voluptuous* even more in 2008. Another new one who gets me hot is Tera Cox. Neither London nor Tera have the super-huge boobs of Nadine Jansen or Sapphire, but hey both are well built and very pretty.

Then there's April McKenzie. I don't think she's as cute as London or Tera, but when it comes to great boobs and a killer bod, there's none finer among your recent new discoveries.

Along with my sincere praise I have to throw in at least a little bit of criticism. I am tired of always seeing the women with a big dildo. Even dumber looking are the pictures where the girl is holding a rubber dick just outside of her pussy. Why?

I guess asking for realism from a magazine like yours is like asking a dog to sing the *Star Spangled Banner*, but I have never seen a woman suck on a dildo anywhere other than in your magazine. It's just very unrealistic.

I think one reason the dildos are such a turn-off for me is that they usually block the view of the girl's pussy. I want to see the chick's twat, not some fake cock getting in the way. So shots where they are holding their pussies open are especially nice. That's the kind of thing I want. Let's see more of those and less, a lot less, of the dildos getting in the way.

I say these things only from the point of view of a real fan who just wants to see great magazines get even better.—V.C.V., Miami, Florida

**V-MAG
DEBUT**

CAMILLE MORGAN

A regular New Jersey girl with gigantic jugs.

In a year that has been chock-full of hot newcomers, we're glad to keep them coming in this final issue of 2007. Camille Morgan describes herself as "just a regular girl," but now the student from New Jersey can add big-boobed model to her resume. Her beauty and body move her right to the head of the class.

BARE FACTS

CAMILLE MORGAN

Birthday: March 30, 1981

Age: 26 **Height:** 5'8"

Weight: 140 lbs. **Bra:** 34DDD

Measurements: 34-27-38

Lives: New Jersey

Occupation: Full-time student

Hobbies: Reading, watching movies, hiking, shopping

Fantasy: "I want to have sex with Jay-Z."

Camille said she would like to sometimes go braless, but her 34DDD boobs make it very difficult. "Bras are not comfortable at all, but I need the support," she said. "I have to always wear a bra except in bed. I love having big boobs, but in some ways they limit what I can wear. Fortunately, my favorite kind of outfit is tight-fitting jeans and a low-cut top that shows off a good bit of cleavage. I like to display myself well."

Camille said there is a certain part of a man that she notices first, and it's not his package. "The first thing I see is a man's face," she said. "You can tell so much by a guy's eyes and facial expressions. Then I'll check out the rest, but the face is always first. Then if he wants to impress me, the easiest and best way is to say something funny or pay me a sincere compliment. But don't go overboard because then it just sounds like cheesy lines. Just keep it real and you'll be on the right track with me."

HITTING' THE NOTE

Was honesty really the best policy when it could ruin a music star's career?

FICTION BY ADOLPH OLIVER BUSCH

Everyone was on their feet as the last notes of the final song rang out and faded away, leaving only the sound of the screaming crowd.

"Jim. Jim. Jim," ten thousand voices chanted as one.

"Aw, thank ya'll so much," Jim Rankin shouted into the microphone. "We'll see you again real soon. Good night and God bless!"

The stage went dark and Jim left, handing his guitar to a roadie on the way. Darla was waiting for Jim at the bottom of the stairs that led from the stage, as always. She threw her arms around his neck.

"Oh, Baby. You really knocked 'em dead tonight," she gushed. "You had those people right in the palm of your hand."

"Well, thanks, Darlin'," Jim half-heartedly replied. "Your opening set was really good, too, and our duets are always crowd pleasers. They really love you."

Jim liked Darla Davis, who was signed to Haystack Records, the same record label he was on. She was young, sweet, pretty and had a great voice. He admired her talent and ambition. Her records were climbing up the country charts right along with his and their concerts were selling out everywhere they went. One of their romantic duets was also getting a lot of radio play, which meant even more success for them both.

The executives at the record company, along with Jim's and Darla's managers, had cooked up a scheme that paired them both professionally and personally and portrayed them as a happy, loving couple. It was great for publicity and for their careers. The problem

was, it was all a lie.

There was nothing wrong with Darla. She just wasn't the kind of woman Jim was into. Ever since he was old enough to have such thoughts, he had been into heavier girls. He adored the softness of a full-figured woman, the feel of a big set of boobs against him and an hourglass figure that tapered in at the waist and flared out to a nice curved ass and womanly hips. Darla just didn't fit that description at all, with her slim frame and B-cup tits.

He broke away from Darla's grasp.

"Honey, I need to go unwind on the bus for a few minutes," he said. "I'll see you a little later."

"Oh, uh...okay," she said, unable to hide her disappointment.

Young and still quite naive, Darla was buying into the hype and believed her relationship with Jim was real. When she joined him onstage for their duets her heart melted as he looked into her eyes and sang about never-ending love. She didn't realize that it was all just part of the act. That only complicated things for him. He cared about Darla's feelings. But the dishonesty with the public and with her just for the sake of extra record and ticket sales ate away at him day after day and was becoming more than he could bear.

He was near his bus, parked by the loading dock of the arena, when a curvy figure stepped out of the shadows.

"Hey, handsome. Kind of dangerous

out here alone, ain't it?"

The woman's face was hidden in the darkness, but he could see enough to know she was the kind of woman he liked. Her silhouette showed curly brown hair that fell just past her shoulders. Her wide hips were encased in tight jeans that clung to her curves and her full, heavy-looking tits rose and fell rhythmically and seductively with each deep breath. She took a step closer into the light and Jim could finally make out her features. She had a very pretty, round face with a perfect nose and full lips. He thought her eyes were green but in the dim light he couldn't be sure.

"How did you get back here?" he asked. "That gate's supposed to be secure."

"My brother works here and he let me sneak in," she said. "Don't worry, I promise I'm not here to hurt you and I'll be sure Darla doesn't find out."

Suddenly, a voice called out from the darkness near the arena's exit.

"Jimmy? You out there? You okay?" Jim's road manager, Frankie Smith, called out.

"Yeah, Frankie. I just need a little time to myself."

"Okay, man. We're pulling out in about an hour, as soon as we get the gear all loaded in the truck," Frankie said. "But there's some reporters here who want to talk to you."

"Hold 'em off for a little while," Jim said. "Then I'll talk to them."

Jim turned his attention back to the alluring stranger.

"Want to join me on the bus?" he asked. "We'll have a drink."

"Sure thing," she quickly said. "My name is Suzy. I've never done this kind of thing before. I'm just such a big fan of you and your music. You mean so much to me."

Aboard the luxurious bus Jim made them a couple of drinks and settled onto a comfortable couch beside his new-found friend. Suddenly, she leaned over and kissed him, lightly and rather shyly at first, but soon their passions rose and they were making out furiously. Jim's hands instinctively reached up and cupped an enormous breast in each hand. They felt like heaven in his grasp as he sensed her nipples growing hard through the fabric.

"I want you to fuck me," Suzy moaned as Jim pinched her ever-hardening nipples. "I want to feel your cock deep inside of me. Oh, I've dreamed about this for so long."

Kissing Suzy and holding her heavy boobs in his big hands excited Jim and he felt his cock growing and getting hard, uncomfortably filling his tight jeans. He took Suzy's hand and placed it gently on his bulging crotch. She moaned and squeezed his swelling member, feeling it jump.

"We had better set that thing free," she whispered, reaching for Jim's belt.

She released his throbbing cock from its confines and it sprang out like a rattlesnake ready to strike. It reached out and curved upward toward Suzy like it was begging to be petted. She didn't disappoint it.

Her chubby fingers wrapped about Jim's shaft and began to stroke up and down the full length, making it strain to even further hardness. She began with a slow pumping that traveled all the way from the swollen head down to his nut-sack. She bent down until her mouth was only inches above Jim's cock and let a thick stream of saliva dribble from between her lips down to the head of his dick. Her spit, mixed with the lusty ooze already dripping from Jim's cock, made the perfect lubricant as Suzy's hand tightened on Jim's hard-on and she jacked him off faster.

"Oh, that's good," Jim could barely speak. "So damn good."

He undid two buttons of her western shirt, eased his hand inside and under-

"The kiss doesn't seem to be working. Maybe a blow job would do the trick."

"While I'm waiting for my rock star fantasy to come true, working at the resort lets me meet plenty of good-looking and sexy guys," she said. "I don't hop into bed with just anyone, but I love sex. So if a guy shows interest in me and asks me out, he'll have a vacation he will never forget. The staff is not supposed to sleep with the guests so I have to be careful, but I'm sure it's good for business. Some guys come back over and over to see me."

"I like lots of foreplay before having sex," Michaela said. "And some of the best is when a man plays with and sucks my nipples. They are very sensitive, but can take some rough play, like tugging and biting. That sends shock waves through me and makes my pussy wet and ready for a good fuck. I like to have my pussy licked and sucked, too. Then I'll put my lips and tongue all over my lover's cock to get it nice and big and hard to fuck me."

ANGELA WHITE

The “Wonder From Down Under” is back, bigger and better than ever!

With more than four years of modeling experience, it's hard to believe that Angela White is still only 22. “I feel like an old pro at this now,” she said. “But I started when I had just turned 18. The good news is your readers liked me and wanted me to come back. But I’m still young and have a lot of good years ahead of me. I feel like I’m only going to continue to get better.”

neath her massive bra cup to fondle the huge breast inside. His fingers found a stiffened nipple and he rolled it between two fingers as he continued kissing Suzy deeply and her hand flew up and down his cock at a frenzied pace.

He raised his ass off the cushion enough for Suzy to ease his jeans down around his thighs. She broke away from the deep kisses of Jim's mouth and in one motion took the entire length of his bulging boner deep into her mouth. She moaned deeply as Jim's cockhead filled her throat. She slowly pulled her lips up and off of his cock until only the head remained in her mouth. His shaft was glistening with saliva and precum and she continued to stroke her hand the full length as she took the head deeper into her mouth with each stroke, sucking him off perfectly.

Jim opened Suzy's top completely, eased it off of one shoulder and pulled one bra cup up and off her boob, letting it fall free. He rubbed all around the sides and underneath the massive orb before finding the nipple and giving it a gentle squeeze.

Suzy was still hungrily sucking his cock and could feel it growing even harder in her mouth.

"Baby, you are so hot," Jim moaned. "I need you, and I mean right now."

He kicked off his boots and pulled his jeans the rest of the way off. He took Suzy by the hand and led her to his stateroom in the rear of the bus, carrying his boots and jeans.

He closed and locked the door and took Suzy in his strong arms, eased her shirt the rest of the way off and reached around to unhook her bra. Her H-cup tits pressed hard against his bare chest as he gently laid her down on his bed, unfastened her jeans and slid them and her panties down her ample thighs.

I could search for days and not find tits like these on Darla, Jim thought.

Suzy pushed her garments farther down and kicked them off as Jim found a swollen nipple with his mouth and the dampness of her steamy pussy with his

fingers. She had only a well-trimmed wisp of pubic hair and her pussy lips were already wet and were parting with desire. He rubbed two fingers the full length of her pussy and she began to shudder. He continued the motion, stopping occasionally to pay special attention to her clit, but then continuing to rub up and down the full length of her ever-dampening pussy lips. Her breathing became short and soon turned into gasping.

"Oh, Jim. You're going to make me cum!" she cried out. "I'm almost there."

She bucked back and forth on Jim's hand, fucking his fin-

way on top of her. She spread her legs wide and the head of his throbbing cock pressed against her engorged pussy lips, causing them to open.

He parted the lips with his cockhead and slowly slid as deep into her as he could go, his balls smashing hard against her plump ass and his pubic hair tickling her clit. Slowly he pulled halfway out of her and suddenly thrust hard back into her pussy. She shuddered and moaned as he pounded into her. He repeated the move several times, slowly pulling out of her and then thrusting his swollen dong even deeper into her hot pussy. She groaned and shook harder each time.

Gradually Jim began pumping his hard-on faster and harder into Suzy's soaked twat, their bodies smacking hard together and the bus rocking at a noticeable clip.

"Oh, Jim. You've made me cum so much and so hard," she said. "Shoot off all over my tits, please. I need to feel your cum."

Jim had been fucking her hard for several minutes and her begging for his jizz was all he could take. He pulled out of her pussy and climbed up her full, curvy body until he was straddling her chest. His cock was pulsing between her boobs. She pressed them together, wrapping her warm tit-flesh around him. She raised her head off the pillow and ran her tongue all around the purple head. It twitched and jumped with each flick of her tongue.

Jim began rocking his hips back and forth, thrusting his cock through the valley of hot skin provided by Suzy's huge hooters. She licked and lubricated him with every stroke. Soon his cock was glazed with her spit and sliding effortlessly into her tight cleavage.

"Oh, Baby. I love your big tits," Jim cried as his climax crept up on him and he began to unload spurt after spurt of hot cum all over Suzy's hard, brown nipples. A shot went all over her neck and was followed by another blast on her chin. She hungrily lapped up Jim's man juice and used his cock to direct more of his cream from her neck and boobs into her mouth. Jim collapsed onto the bed beside her.

"I hope you don't think I'm your typ-

gers as he slid them in and out of her soaking-wet twat. Her pussy suddenly tightened and a stream of juice ran all over Jim's hand. He knew that she had cum hard.

APRIL McKENZIE

"I couldn't wait to come back to pose again."

The stack of letters we got after April's July '07 V-Mag debut said our readers couldn't wait, either. "April blew me away and made me cum over and over," wrote J.R. of Naples, Florida. "You're fools if you don't bring her back soon." No fools here, J.R., just April's big boobs.

April has been a busy girl, coming back to our studios for several photo shoots and starring in the hardcore DVDs *Pounding the Pledges* and *Tits on Top* and the hand-job and tit-fuck video *Tits and Tugs*. "It has been a blast, but I like the hardcore the best," she said. "To have a handsome guy playing with my tits, feeding me his cock and then pounding my pussy with a video camera pointed at us is a total turn-on. Before I did it I had no idea how great it was. Now I want to do more and more hardcore. All I can."

Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

How to check out big tits when you're with your girl

Fact: Some women don't mind when you're with them and check out another chick with big tits.

Fact: Some women do.

Glad we cleared that up.

But it's true: You need to know the personality of the woman you're dating, and I'm not just talking about her outward personality. The one she shows you. I'm talking about her *real* personality. The psychosis and other mental disturbances that are taking place inside her head.

It is almost never a good idea to nudge your girlfriend and say, "Hey, check out the rack on that girl!" although there are exceptions to the rule (such as when the display of tits is so overt that she'd think you were blind if you didn't notice; when it's so overt that it would be almost rude not to point it out). It is usually a good idea to wait for your girlfriend to make some snide remark about the buster you've been staring at for the past few minutes. It's almost never a good idea to respond to this remark with, "Wow, nice tits!"

Anyway, how to check out big tits when you're with your significant other and not get slapped across the face. I've never gotten slapped across the face, so I must be pretty good at this.

1. Perfect the one-step fall-behind. Let's say, for example, you're walking in the mall with your S.O. (significant other). You see a big rack approaching. At this point, you need to slow your stride just a bit so you fall a step or two behind your S.O., giving you the opportunity to check out the rack. But don't fall too far behind. Otherwise, she'll look behind herself for you and see you checking out forbidden tits.

2. Pick your spots. Listen, when you're with your S.O., you can't check out every set of tits that passes by. Even if you've perfected the one-step fall-behind, she's eventually going to wonder why you're always a step or two behind her, even though you're six inches taller than her. So here's what I do. Let's say, for example, we're walking down a city street on a particularly bountiful day. I see a rack coming towards us. I'm dying to look.

Do big tits flock together?

Do chesty chicks tend to hang out with other chesty chicks? Do flat-chested chicks hang out with other flat-chested chicks? When stacked babes hang out together, do they have some unspoken competition over the size of their tits? I'm not actually going to do any research on these questions. I'm just going to offer my opinions.

Big-tit self-awareness

I've often wondered if women who are showing a lot of cleavage realize how much cleavage they're showing. On a similar topic, I'll also discuss the best angles for viewing cleavage in public places. You probably know most of them already.

Natural tits in paradise

The Jan. '08 issue of *SCORE*, on-sale Nov. 6, is one you'll surely want to get your hands on. It's devoted entirely to our all-naturals excursion to The Bahamas.

A simple explanation

Regarding my blog in the Oct. '07 issue, in which I wondered why some women get pissed when you stare at their exposed cleavage, reader J.C. from Seattle, Washington writes, "I don't think they're really offended. They just want you to think they're offended. Women like to act all virtuous when, in reality, they're acting like tit-hound sluts." What's a tit-hound slut? I really have no idea. Anyway, email any comments you'd like to share to rosenbaumd@scoregroup.com or mail them to: *Voluptuous Blog*, 1629 N.W. 84th Ave., Miami, FL 33126.

MIRANDA

The saucy Italian dish is back for more.

The last time we saw Miranda she was coaxing a load of guy goo out of a stiff dick in the Xtra section of the April '07 V-Mag. Now she's showing off her H-cup tits and bountiful body in the bath. I absolutely love being a big woman," she said. "I have always been and I wouldn't change a single thing about myself. Why would I?"

"Italian people are known all around the world for being passionate," Miranda said. "And it is very true. I have a genuine zest for life and all it brings, and that includes sex. I was gifted with this body for a reason, and if I don't use it to the fullest I have wasted a wonderful thing. So I try to take advantage of it and share it with a lover as often as I possibly can. Fortunately, there are many men who appreciate a woman like me, so I never have to search for a sex partner."

Like most of our big-boobed stars, Miranda started developing at a young age. "My mother and grandmother have large breasts, so I knew what to expect," she said. "Mine began growing when I was only 10 years old. By the time I was 12 they were DD-cup size and now I'm up to an H-cup. When I masturbate, I always play with my boobs first. I love having them."

TALKIN' TITS BLOG

Continued from page 56

But I don't.

What do I do? I look in the OPPOSITE direction or, better yet, look at her. I'll probably do this two out of every three times that we pass a big rack. That way, when I do look at the big rack that's headed our way, she won't think I'm staring at the big rack. She'll think I JUST HAPPENED to be looking in that direction. After all, the last few times a big rack passed us, I didn't look at all. After a while, she'll think you're the kind of guy who doesn't have a wandering eye. Once that happens, you'll have carte blanche to look.

But don't abuse the privilege!

3. Be careful about what you say. Listen, chances are that if you spotted the big rack, your girlfriend did, too. Chicks notice each other. So, if she sees a chick with a big rack and says, "Oh, my God, her boobs are so big," don't say something stupid like, "I know. They're disgusting, aren't they? I prefer your B-cups much more." She might smile at that, but she'll also know that you're full of shit.

So, let's say your girlfriend spots a big rack. She says, "Wow, her boobs are so big!" Your response should be, "They are, aren't they?" If she says, "Look at how her boobs are falling out of her shirt," your response should be, "They are, aren't they?"

"They are, aren't they?" is very often a safe response to your S.O.'s comments about another woman's boobs. Another response that will leave her speechless: "Yeah, but they look fake."

That's all I've got for now. Basically, the best way to look at big tits when you're with your S.O. is to develop a personality that's completely at odds with your real personality. Should be no problem.

He thinks I'm nuts but okay

From Detroit, Michigan, W.F. writes, "This is great having Dave Rosenbaum share his A.D.D. with us. It's like 'Dude, get out of my head.' The most overlooked part of the bra (Sept. '07 issue)? I work with quality control for an auto supplier, so everything about my job is detail oriented. You hit the nail on the head with this one. Nothing gets past my eyes. What makes it so hot when a

What do guys who fuck models for a living use to jack?

The all-new Monkey Spanker, of course. It's the latest and greatest thing in jacking from Britain where it's become the No. 1 selling jack aid. The Monkey Spanker is guaranteed to deliver super-strong orgasms. Hear what porn stud Johnny Rod has to say about this amazing new male masturbation aid.

SCORE: So, let's get right down to it, Johnny. Is this just another man-vibrator gimmick? We've seen those before. They usually aren't as good as advertised.

Johnny: No, the Monkey Spanker is the best jack aid I've ever used. I use it between shoots to keep my cock stiff and ready for action. I'm not exaggerating when I tell you that it is better than the real thing!

SCORE: Come on! You spend your days with your cock in some of the

best SCORE girls around. You expect us to believe that you use this thing?

Johnny: I really do use it! It's small and lightweight and easy to travel with. It's like the pocket rocket for guys.

SCORE: So would you recommend it to our readers?

Johnny: Totally. If you don't have one, get one. You'll use it all the time. It feels so good, you won't know the difference!

woman's bra tag shows is that it's a flaw or error the woman isn't even aware of, unless she is trying to boast, knowing the tag is exposed. Either way, I got a chubby!

"Regarding the etiquette of staring at tits, I have some advice for Dave. Women like a man to start at the top and work his way down. Look her in the eyes and stimulate her brain. Be confident, say something witty and clever and then enjoy the view. Make the connection and you're in like Flynn.

"On the subject of stacked weather women, I live in the Detroit area and one of our local TV stations has a weekend weather girl who is smokin' hot. I tease all my girlfriends about what a good fuck the weather girl is (like I ever met her). She's blonde, about 30 and stacked. Lately there's been some controversy that's she's pregnant. I don't care if she's pregnant or not. It's hard to see the weather in Grand Rapids because her tits are in the way, and that's a good thing.

"Dave asked, 'Am I fuckin' nuts?' We all know Dave is touched in the head. I mean, am I fuckin' nuts, too? There's a black girl at work who is as hot as Hell. She tells everyone that I'm adorable. We talk as friends, but she is looking for more. I am not a racist, but she intimidates me. I would like to be closer to her, but I worry about what other people think. Should I just say 'Fuck it,' or should I just go right ahead and fuck her?

"Breast feeding is not hot. Women talking about tits is way hot. I hope Dave's blog is successful and continues."

Thanks for writing, W.F. I hope this blog is successful, too. Thanks, also, for letting me know that I'm not the only one who gets off on bra tags.

Regarding the etiquette for staring at tits, I don't want to start at the top and work my way down. I don't want a relationship with every big-titted chick I see in everyday life. I just want to stare at her tits. Is that so difficult. Be witty and clever? Hey, I save that for my blog.

Regarding the black chick at work: If she has big tits, fuck her. If she doesn't have big tits, then I don't know why you're bothering to ask me. Black tits, white tits...if they're big and suckable and you want to fuck 'em, do it!

And that's all I have to say.

BIG-BREAST CHALLENGE II WINNER!

***It's official.
Jenny is the queen of
the big-tit world.***

JENNY

The Super Bowl. The World Series. The Masters Golf Tournament. All determine the very best of the best in their respective fields. Then you have the Big-Breast Challenge, the reader-voted competition to crown the highest royalty in the kingdom of big tits. We started with 16 of our best girls in head-to-head competition and whittled it down to one final winner. All hail, Queen Jenny!

Jenny progressed through round after round against the biggest and best boobs in the world. Her victory is even more impressive when you consider the competition. V-Men selected her over other huge-hootered honeys like Nicole Peters, Marilyn Sakova and Cherry Brady. The final round against Nadine Jansen made the decision nearly impossible, but our readers made the tough choice and declared Jenny the ultimate victor. In the world's best big-tit contest, Jenny's brown bombers rule!

Boob size is an obvious qualification, but Jenny's tits have the symmetry and shape that propelled her past her competitors. "Of course Jenny is big, but I voted for her because I love her tight-looking little nipples," reader J.A. of Lewisville, Texas, wrote in with his vote. "I imagine snuggling with Jenny and laying my head on those massive pillows. That would be heaven." Sleeping with the best of the big titters would be heaven indeed.

ical groupie," she said. "I'm just a big fan. I don't do this with everyone."

"Baby, you were fantastic, and you're just the kind of woman I adore," Jim said before kissing her. "But right now I've got to go deal with these reporters. It's just part of the job. They're waiting for me inside."

The lovers got their clothes back on in half-decent order and went to the front of the bus. Jim opened the door for Suzy, who led him down the steps. Just as Jim was about to step off the bus, he was hit by a dozen flashbulbs.

"Hey, Jim. Who's that you're with?" an unknown voice called from the darkness. The camera flashes continued. "Whoo hoo, boy. Looks like you like 'em big! This'll sell a lot of magazines."

Jim grabbed Suzy by the sleeve and pulled her back into the bus, slamming the door behind them.

Harvey Markman slammed the magazine on his desk...hard. It was turned so Jim could clearly see the cover photo of Suzy leading him off the bus and the bold headline: **CHUBBY CHASER!**

"God damn it, Jim. What the fuck were you thinking?" the president of Haystack Records glared across the desk. "I mean, cheating on Darla is one thing. That might look cool if it was with a supermodel. But you get caught with, with, with..."

"With a fat girl?" Jim said. "Is that what you're trying to get out? You know how I feel about this whole fake thing with Darla. It's all wrong and I've had just about enough of it. That gal with the big titties came along at just the right time. At the perfect time. I needed her and there she was."

"Shit, Jim! All the planning, all the publicity stunts and soundbites and personal appearances and everything that showed you and Darla to be the sweethearts of country music. It's all down the drain," Markman said. "All shot to Hell. Jim, you've got to promise never to do anything like that again. Maybe we can do some damage control and salvage this thing."

"You just don't get it, do you?" Jim stood up. "I'm tired of the bullshit and the lies and the hiding. I don't want to hurt Darla or our careers, but if that's

what happens when you tell the truth, then so be it. Now, I've got work to do."

Jim calmly walked out of the room, leaving the executives of Haystack Records standing with their mouths hanging open.

Jim's next concert date was a few days away, which gave the country music press just enough time to run his photos with Suzy, all denouncing him and his apparent lust for "fat girls" as one article so delicately put it. Although he and Darla weren't married and their relationship was all a scam, the tabloids were plastered with headlines like HOW COULD HE? and WHAT'S WRONG WITH RANKIN?

He had gotten Suzy's cell phone number and called her to apologize.

"Well, it's really not your fault. It's a shame that such a beautiful thing can be turned so negative," she said. "I've seen some of the nasty things they've written about me. That part doesn't feel too good, but I'm dealing with it."

Jim was listening to her, but his mind was drifting somewhere else. He was hatching an idea.

"Listen, how would like to go with me on the road? We leave in the morning for a western tour through Texas and Oklahoma," Jim said. "I'd love to have you along."

"Uh, well, OK, I guess. But why? I mean, I'm who caused you all this trouble to begin with," Suzy said.

"Well, you said you're not a typical groupie," Jim said. "And I don't see you as one. I want you to come along."

A Town Car picked up Suzy and her luggage the next morning and took her to Jim's bus.

"Jim, you're the boss, but it's also my job to look out for you and your best interests," Frankie Smith protested. "Do you really think taking this gal on the road is a good idea? There's gonna be camera's everywhere, especially now."

"You just trust me, old buddy, and stop listening to those front-office suits," Jim said. "They may know the music business, but I know the business of music and there's a big difference. It's about time they found it out."

The crowd of reporters had been waiting for hours when Jim's entourage pulled up behind the arena. As soon as Jim stepped off the

DESIRAE

"There's nothing I love more than being wet."

Not a surprise, considering Desirae was a competitive swimmer before becoming one of our best V-Girls. "I don't know how far I could have gone with a swimming career," she said. "But my big tits led me in a different direction and there has been no looking back. That's okay, I'm sure I've had much more fun modeling. I surely get more attention."

"For a girl with a body like mine and a love for sucking cock and fucking, there's nothing I'd rather do," Desirae said. "I never had even dreamed of doing nude modeling and hardcore sex scenes, but when the opportunity came along I thought, 'Why the hell not?' The hardcore is my favorite. Hooking up with a guy, sucking his dick and having him screw me on camera is a total turn-on. I'm getting wet just thinking about it."

HITTIN' THE NOTE

Continued from page 76

bus the photographers and reporters were all over him.

"C'mon, Jim. Who's your mystery woman? Does this mean the end for you and Darla? How's she taking it? How does she like being passed over for a fattie?"

Jim had heard enough. He quickly turned and went straight to the reporter who had yelled the last question. The reporter's eyes widened in fear. Jim grabbed the lapels of the man's jacket and raised him up so the reporter was barely standing on the tips of his toes. Even in that position his eyes only came up to Jim's chin.

"Look here, you little asshole," Jim hissed through clenched teeth. "I know who you are and I know who you work for. Don't you or anyone from your TV show ever ask me for an interview again. You got that? Now, me being a country gentleman is all that's saving you from getting your pansy ass whipped right in front of all these people. But I suggest that you disappear before I change my mind."

He dropped the reporter, who wasn't ready for it and collapsed onto his ass with a thud.

"I'll sue you, Jim Rankin. You'll regret this," he yelled. "You're finished!"

"Finished? Then I'll just come back and finish with you." Jim turned back around but the reporter and his cameraman ran away in the other direction as the rest of the crowd laughed loudly, but didn't stop taking photos and video.

Suzy was waiting on the bus and heard the commotion going on just a few feet away. Jim climbed on board and slammed the door hard, just to make a point.

"What was all that?" Suzy asked.

"Oh, nothing," Jim said. "Just defending your honor, that's all."

She went to him, sat beside him and put her arm around his shoulder. She kissed him lightly on the cheek.

"I don't know why you're doing all of this," she said. "But I appreciate it. I wasn't just looking for a one-night stand with you, although that's how I thought it would turn out, if I even got to be with you at all. So any time I get to spend with you is precious."

"I'm glad you feel that way," he said.

"I don't want to be anyone's conquest. I may be well-known but I'm still a real person. That hasn't changed."

He looked into her eyes for several seconds and their lips were drawn together. They kissed as they had that first night, letting all thoughts of the outside world fall to the wayside. Concerts and reporters and record companies all got lost in their passion.

This time it was Suzy who took over and led Jim by the hand to the back of the bus. She sat on the edge of the bed and undid his jeans. She pulled them down around his knees and began to kiss his hardening cock through the fabric of his underwear. She could clearly see the outline of his man-meat through the cloth and she gnawed lightly at it, making it twitch and grow.

She grabbed the front of the waistband and pulled it down below Jim's balls, sending his hard dick jutting straight out. She was at the perfect level, and had to lean forward only a few inches to take Jim's cock deep between her full lips. She sucked on it hungrily, grunting each time she took the length into her mouth and throat. Her hand also stroked up and down his throbbing dick, spreading the lubricating saliva and providing delightful friction.

Suzy pulled away from Jim just enough to flick her tongue all around the head of his cock before plunging her entire mouth back over it, giving him a complete mouth-fucking that had him weak in the knees and about to collapse.

"Your turn," Jim leered and pushed her back onto the bed. He grabbed the top of her jeans and stripped them and her panties off with one mighty pull. He kicked off his own boots and removed his jeans before kneeling between her quivering legs.

He took his time, kissing and nuzzling one inner thigh, then the other, working his way slowly up to her waiting pussy. She began to raise her ass up off the bed and tried to maneuver her wet pussy closer to his mouth, but he would pull away, teasing and frustrating her but knowing that when he finally gave in to her wishes she would enjoy it even more because of the prolonged anticipation.

He finally had his mouth at her pussy, but he lightly breathed on it and chuckled slightly as she writhed and quivered. He gently extended his tongue and lightly flicked it across her clit. With so much build up, she felt like

a shot of electricity passed through her. He did it again and got the same reaction. He continued, waiting a little less time between flicks and doing it slightly harder each time.

Eventually he was licking her clit continuously and he slipped his middle finger inside her to massage her G-spot. That was it.

"Oh! I'm cumming!" she screamed. "Oh, Jim! You're making me cum so hard!"

Her pussy clenched Jim's finger but he kept gently rubbing her G-spot as she shook, moaning incoherently as wave after wave of orgasm washed over her. She went limp and Jim withdrew his finger, gave her pussy a light kiss and stood up.

Making Suzy cum had excited him and his cock stood straight out. She smiled at him, scooted further up onto the bed and spread her legs wide. Without a word, Jim positioned himself between her legs and drove his hard cock deep into her with one long thrust.

"Oh, my God, that is so good," Suzy murmured. "Fuck me, Jim. Fuck me."

He quickly fucked her deep and hard, her pussy clenching his big dick as it filled her. Her tight twat had him so turned on he knew he wouldn't be able to last very long, but he was determined. He slowed his pace slightly, even though he felt like pumping her pussy until he came hard inside her.

His efforts weren't wasted as Suzy was soon cumming again, her pussy clamping down on him like a wonderful vise. He knew it was time. He pulled out of her pussy and aimed his cock at her round belly and enormous tits. He came so hard the first shot went to her chin and the several smaller shots that followed completely coated her neck and tits with his sticky load of cum. She slowly rubbed it into her skin, as if it were lotion.

"Ummmm. I just love your cum, wherever it ends up," she said. "I can't get enough of it."

Jim fell onto the bed beside her and she laid her head on his bare shoulder. He gently took a handful of her left boob and they both fell asleep.

Jim woke to the sound of Frankie Smith tapping lightly on the door. He looked quickly at the digital clock in his stateroom. It was 7 p.m.

"Jim, sorry to disturb you but we're just an hour from show time and I want-

ed to make sure you'll be ready and not be in a rush," Frankie meekly said through the door.

"It's okay, Frankie. I'm up," Jim said. He rolled over and kissed Suzy. "Hey, Baby. We need to get ready. I want you to be right beside the stage for my show tonight."

Jim showered and put on the stage clothes Frankie had laid out for him. He surprised Suzy with an all-new western outfit from head to toe, which she was thrilled with.

Jim's show started out a little shaky. The audience applauded when he took the stage but not as enthusiastically as usual. He ran through a string of his big country hits, which were met with a positive, if subdued, reaction.

When it was time for him to reintroduce Darla, who had opened the show, so she could come onstage for their duets, the crowd went wild, stomping and cheering at the tops of their voices.

Okay, so I'm being made the bad guy here, Jim thought. It looks like it's time to take a stand.

"Folks, Darla Davis! Yes, she's worthy of your applause," Jim said. "I agree with you, she is great!"

He signaled the band to not start the next song as they normally would. He looked out at the sea of concert-goers and took a deep breath.

"Friends. I have something important to tell you all, and I hope you won't think any less of ol' Jim when I do," he began. "I think the world of this little gal, Darla. She is great to record and tour with. But us being a couple was something dreamed up by our managers and our record company so we could do concerts together and it would make a great story and sell more CDs and concert tickets. I haven't felt right about it for a long time and I knew that someday I was going to have to come clean about all of it, and now today is that day."

There was a restless rumbling growing in the crowd and a few boos.

"But that's not all, people," Jim continued. "You've surely seen some things about me lately in the tabloids and on TV. I'm here to tell you, they're all absolutely true. Every last bit of it. I know it's supposed to be the trendy thing for male country music stars to hook up with female country stars who all fit the mold of what society says they

should look like. Or even to be involved with models or movie stars. I think it's okay for anyone to date anyone, if it's real. But what's real to me is a real woman who is built like a real woman. The press likes to put insulting terms on it, like 'fattie' and 'chubby chaser' and other such hateful stuff. But I don't care. I am who I am and I make no apologies for it."

He turned to Darla.

"I am sorry to you, though," he said. "You're a wonderful girl. You're just not my type."

"I've always known you kind of had a thing for bigger girls," she said. "I just wanted to believe that our story was true. But you're still the best singer I know, so I hope we can still record and tour together."

"I wouldn't want it any other way," he said.

The crowd was growing even more restless as the show was delayed.

"Okay. Everybody has been wondering about this 'mystery lady' that I've been seen with," Jim said. "She's a private person and I'd like to keep it that way, but I'm not going to hide her away, either. Suzy, come on out here, Honey!"

It took several seconds before Frankie was able to drag a reluctant Suzy out to center stage with Jim and Darla.

"Oh, Jim. This is great but it's embarrassing," Suzy said. "You two are used to people gawking at you. I'm not."

"This is Suzy," Jim told the crowd. "That's all I'm going to say other than SHE is the kind of woman I really want and she's important to me and that's all you need to know. 'Nuff said!"

A cowboy in the front row stood up.

"She's the kind of gal I like, too, Jim, with some meat on her bones."

Me, too," came a call from a few rows back. "She's a doll!"

"We love you more than ever, Jim. You're just like one of us."

"Jim, you're our kind of guy!"

"Just be yourself, Jim. We'll stick with you. We buy all your records."

A beautiful, blonde woman in the third row with at least 38DD boobs and a big butt stood up and started cheering. More women and men rose to their feet and joined the ovation, and Jim grinned from ear to ear knowing he had been right. All through the crowd, almost every woman had a full bosom and wide hips and a few extra pounds. These were Jim's people and he loved being one of them.

VERONICA VAUGHN

Big, blonde and beautiful, Veronica is ready for a trip straight to the top.

"Some friends had been telling me for a while that I should pose for *Voluptuous*," Veronica Vaughn told us during her recent trip to our Miami studios. "I was like, 'Yeah, right,' but to shut them up I sent in a few photos. The next thing I knew I was on my way here, getting ready for my first photo session. It's happened so fast. I never considered myself to be model material."

BARE FACTS

VERONICA VAUGHN

Birthday: October 3, 1986

Age: 21 Height: 5'5"

Weight: 215 lbs. Bra: 40G

Measurements: 48-36-46

Lives: Chicago, Illinois

Occupation: Airline agent

Hobbies: "Traveling. My job with an airline is ideal because the biggest perk is getting affordable airfare. I'm always going somewhere fun."

Only 21 years old, Veronica said she prefers men who are several years older. "A mature man has more experience and really knows how to treat a woman," she said. "I like to be taken care of and younger guys just don't seem to know how. I'm not talking about with money, either, but the little things like opening doors for me or taking me to a nice place for a date. Most of the men I date are at least 10 years older and sometimes even older than that. They're great."

Veronica added that an older man's experience also pays off in the bedroom. "Oh, no doubt. Most young guys are just after what they can get and care only about their own satisfaction," she said. "A man who's a little bit older knows that the key to it all is making sure I'm completely satisfied first. They know it's wise to do that, because that makes me want to have sex with them over and over. If a guy doesn't get me off, why bother again?"

"SHAG ME ALL NIGHT!"

Samantha Sanders has a body built to take cock.

Samantha Sanders has undergone some changes since she began modeling. Calling herself Gillian, she made her V-Mag debut in 1999, did a few photo sessions, then dropped off the radar. After a few years away she returned in 2005 with a new name, a new look and a new, horny attitude. "I guess I had broadened my horizons, sexually speaking, and was ready to do something bolder," she said. "So I started having sex on camera and found it to be very satisfying. I love sex and do it just as often as I can."

Samantha said when she's on camera she is only doing what comes naturally. "As you can see in photos and videos, I like to have sex every way there is," she said. "I love to give head. I love a bloke to lick my pussy. I love to shag with the man on top, me on top and doggie-style. It feels great to have my big, sensitive boobs played with and sucked. I like a guy to cum all over my tits and then I lick them clean. Cum tastes so good to me. That's why I always want more of it."

"I LOVE THE TASTE OF COCK!"

Every V-Man's dream girl, Sunshine is big, bold and beautiful.

One of our most popular and prolific models of the past few years, Sunshine's love for posing and fucking for the cameras are as obvious as her 38G rack. "One of my favorite things in the world is to suck a hard dick," she said. "It doesn't even have to be really big, as long as it's really hard. The harder the better. Then the challenge is for me to suck it good enough to make it even harder. I like to feel it grow and stiffen in my mouth. That makes me want to suck it even better. As far as fucking, there's no bad position, but a good, old-fashioned missionary position pounding is the best."

She's the primary star of our hottest and best-selling videos. She went at it with Monique L'Amour in the girl-girl romp, *Knockin' Nipples*. "I like variety in everything, especially sex," she said. "You wouldn't eat the same dish day after day, would you? I wouldn't. I don't want to fuck the same person the same way all the time, either."
